

SAN DIEGO TABLE TENNIS ASSOCIATION (SDTTA)

Player Sponsorship Application

SDTTA is looking to sponsor club members to attend and represent our club at sanctioned table tennis tournaments. Yearly sponsorship amounts for each individual will be limited to the voted Board maximum. SDTTA Board reserves the right to determine how many and the criteria used to award sponsorships.

Sponsorship would cover entry fee cost for events entered. Does not include USATT's required membership or tournament pass fees.

In return for sponsorship, we encourage the recipient to represent the SDTTA at the tournament by wearing club logo shirts. When at our club, sponsored players should assist other club members by offering advice, encouragement, and to greet new and visiting players when appropriate.

Among the criteria SDTTA Board of Directors will consider for sponsorship selection include:

- Demonstrated improvement in table tennis skills.
- A player that shows enthusiasm and the willingness to improve his or her game.
- Willingness to help with club functions, table/barrier storage, interaction with other members,
- Participation in club tournaments and activities.
