

To Whom It May Concern

This is to certify that Javid Khazaeli worked as an Assistant instructor and coach instructor at San Diego Table Tennis Association for period of 3 three years. Javid was involved in all elements of coaching and training players of different age and different playing potential .He was instructing players on the elements of the technique as well as the strategic approach to the game. Javid was also active as an assistant to the senior members of the Table Tennis Association. Javid has strong personal ethics and moderate teaching approach as I 'm convince that he will be good addition to any coaching environment.
